

AP Exam and Course Fees Past Due

If they have not done so already, HPHS parents and guardians with students in AP courses should log in to their Skyward accounts and submit payments. The fee is \$96 for each exam and course.

Please keep in mind:

- Students enrolled in AP courses are required by District policy to take the AP exam that corresponds to the course.
- There are no fees for Pre-AP courses; fees are for AP courses only.
